WASHINGTON, D.C.—Congressman Allen Boyd (D-North Florida) today received the “Spirit of Enterprise” award from the U.S. Chamber of Commerce.

“It is such an honor to receive this award from the U.S. Chamber of Commerce,” said Congressman Boyd.

The Chamber’s “Spirit of Enterprise” award is given annually to members of Congress based on ranking by the business community.

“Representative Boyd has proven to be an effective ally to the business community, supporting legislation that promotes economic growth and job creation,” said the Chamber.

“Our communities are stronger because of the work and dedication of the local chambers and their members,” said Boyd.

Chamber-designated “key votes” are recorded floor votes on issues established as priorities by the Chamber.
